

CURRICULUM VITAE

1. Family name: Marković 2. First names: Božidarka 3. Date of birth: 01.11.1966 4. Nationality: Montenegro 5. Civil status: Married	
6. Contact details (address, e-mail, telephone): Studentska 2/45, 81000 Podgorica, Crna Gora, +382 20 268 441, GSM: +382 69 647 709, bmarkovic@t-com.me	

7. Education:

Institution [Date from - Date to]	Degree(s) or Diploma(s) obtained:
University of Novi Sad Agricultural Faculty, (1999-2004)	PhD in Agriculture - livestock sector
University of Belgrade Agricultural Faculty (1993-1997)	Masters of science
University in Sarajevo Agricultural Faculty 1985-1990	Bachelor

8. Language skills: Indicate competence on a scale of 1 to 5 (1 - excellent; 5 - basic)

Language	Reading	Speaking	Writing
English	3	2	3

9. Membership of professional bodies:

10. Computer literate: Windows application: Microsoft Office (MSWord, PowerPoint, Excel, Internet Explorer and Outlook), Adobe Photoshop, CorelDraw; Photography, etc.

11. **Present position:** Associate Professor

12. **Name of institution/firm/organization:** Biotechnical Faculty of the University of Montenegro

13. **Years within the institution/firm/organisation: 21**

14. **Key qualifications:** (Relevant to the assignment)

agronomist - livestock science

15. Professional experience

Date from - Date to	Location (Country)	Organisation/ Company	Position	Description of responsibilities and activities
1992-present	Montenegro	University of Montenegro	Associate Professor	Teaching Modules: Introduction in Livestock, Sheep and goat production, Animal genetic resources
1991-1992	Serbia	YUKO - Holding	Manager of poultry farm	technologist

16. Other relevant information (Publications and project participation)

Projects:
Bozidarka Markovic – participant in the TEMPUS project: Tempus Cards Project UM_JEP_40043_2006 - Support Network for Improvement of the Strategic Planning (2007-2009)

Bozidarka Markovic – participant in work team of FP7 project: Enlargement Network for Agripolicy Analyses. 2007-2009.
Božidarka Marković – WP leader in the FP7 project: Fostering a Science based Development of a sustainable Montenegrin agriculture (Agriscimont) 2010-2013,
Božidarka Marković - national coordinator in Norway HERD project: Comparison of lamb carcass and meat quality of breeds in Western Balkans and Norway achieving improved palatability, sale and sustainability – LAMBCAMEQU, (2011-2015)
Bozidarka Markovic – leader of the Bilateral project: Production potential and metabolic profile of endangered breeds of sheep (Montenegro – Croatia) 2012-2014
Bozidarka Marovic- participant in the Bilateral project: Creating regional conservation strategies of genetic diversity in animal production (Montenegro – Croatia) 2012-2014
Božidarka Marković – WP leader of the HERIC project: Valorising the Montenegrin Katuns through sustainable development of agriculture and tourism (2015-2017)
Božidarka Marković – coordinator of national project: Fenotipska i molekularno genetska karakterizacija nekih autohtonih rasa ovaca u Crnoj Gori (2012-2015).
