Work experience

- Dates (from – to)
 - Name and address of empl.
 - Type of business or sector
 - Occupation or position held
 - Main activities and responsibilities
- 2004-ongoing**
Biotechnical Institute/Faculty, Mihaila Lalica 1, Podgorica, Montenegro
Research/Scientific/ Institution and Faculty
Senior Researcher in Forest Management Planning
Research and project development in Forest Management Planning with the objective to achieve a rational, sustainable management of the forests and its ecosystems:
- Development and submission of proposed project scope, project implementation
 - Responsible for project monitoring, follow up and feedback back to the Ministries
 - *Publishing of research and project activities in scientific papers.*
 - In addition from September 2007 engaged in teaching activities on Biotechnical Faculty
Subject matter: Hunting and Wildlife Management
 - Editor in Chief of the journal "Agriculture and Forestry" ISSN 0554-5579
<http://www.agricultforest.ac.me/agriculture&forestry/page/12>
- Nov.2012 – Feb.2015 ;**
EU
IPA-Adriatic Model Forest (AMF)
Project Coordinator for Montenegro
- Developing project activities for AMF
- 2009 - ongoing**
Municipalities , Ministry for spatial planning and environment
Report on strategic assessment of impact the environment
Team leader
Developing reports on strategic assessments of impact the environment
- 2011 - 2012**
FODEMO/OBF
Training in systems / techniques for combating illegal activities in forestry
Regional Consultant
- Development of Course Content & Program
 - Analysis of NAP implementation in relation to Combating Illegal activities
- 2009 -2010**
UNDP Montenegro , Ministry for spatial planning and environment
Initial national report on climate change under the United Nations Framework Convention on Climate Change (UNFCCC)
Forestry expert
Provides expert reports for Climate changes impacts on forests in Montenegro- mitigation and adaptation

- Dates (from – to)
- Name and address of empl.
- Type of business or sector
- Occupation or position held
- Main activities and responsibilities

November 2008. / June 2012

SNV - FORS Montenegro

Creation of the private forests owners Association / Financial study of Montenegrin Forestry

Short term assistance – Forestry Expert

- Developed presentation of situation in Forestry Sector in Montenegro ,
- Inform stakeholders about role of private forests in new legal frame;
- Explain benefits and good praxis of private forest owners association

- Dates (from – to)
- Name and address of empl.
- Type of business or sector
- Occupation or position held
- Main activities and responsibilities

2007-2008.

LUX Development – SNV – Ministry of AFWM - Montenegro

National Forest Policy and Law on forestry creation

Member of working groups

- Definition of "Forest"
- Forest Management planning issues.;
- Forest products industry issues;

- Dates (from – to)
- Name and address of empl.
- Type of business or sector
- Occupation or position held
- Main activities and responsibilities

2004 - 2007

USAID Montenegro Competitiveness Project, Ulcinjska 1, Podgorica, Montenegro

International Project / Task manager in Wood Industry and Forestry

Forestry/Wood Industry Advisor

- Developed strategy document for Montenegro wood industry and forestry sector;
- Established wood industry sector trade association , representing the interests of private wood processors and furniture producers in Montenegro;
- Organized market tours and exhibitions at regional and international trade shows;
- Developed scopes of work for short term technical assistance experts;
- Organized workshops for wood industry members;
- Participated in the latest draft of the National forestry standards for Montenegro, necessary for forestry certification process and currently under review with the Forest Stewardship Council;
- Prepared companies for Chain of Custody (COC) and ISO 90001 and 14001 certification
Drafted activity reports for USAID, gave presentations to local and international audiences on the wood industry sector in Montenegro.

- Dates (from – to)
- Name and address of empl.
- Type of business or sector
- Occupation or position held
- Main activities and responsibilities

2002 - 2008

Court of Bijelo Polje

Court Expert Witness

Forestry expert

Provides expert testimony on forestry issues:

- Collection of data in the field (private forests) related to court cases, for example: property issues, illegal logging etc.;
- Drafting of expert reports for the court and giving testimony in court.

Education and Training

- *Dates*
 - *Name and type of organisation providing education and training*
 - *Principal subjects/occupational skills covered*
 - *Title of qualification awarded*
 - *Level in national classification*

- 2011**
University of Montenegro, Biotechnical Faculty Podgorica;
Belgrade University, Faculty of Forestry;
- Biotechnical Research / Agriculture & Forestry / Forestry Management; Title of Doctoral Thesis: "Definition of forest types in reservation zone of National Park "Biogradska gora"
Doctor of Biotechnical science / Forestry
Doctor of Science (PhD)
- November 2010**
Israel's Agency for International Development Cooperation of the Ministry of Foreign Affairs, Centre for International Agricultural Development Cooperation of the Ministry of Agriculture and Rural Development of Israel;
International training program on Combating Desertification: Afforestation in Arid and Semi Arid Zones
International Training Course / Course certificate
International Training / Specialization
- August 2004 – September 2004**
Texas AM University; U.S. Department of Agriculture (USDA); USAID; Foreign Agricultural Service (FAS), Research and Scientific Exchanges Division
- Training program in Forestry Management, Forestry Management Planning ;On-site demonstration projects focused on forestry management; environmental protection; Remote sensing; GIS technology; technological innovation.
International Training Course / Course certificate
International Training / Specialization
- 2003**
Faculty of Forestry, University of Belgrade
Department for Forest Management Planning
- Title of thesis: "Structural And Developmental Productive Characteristics Of Mixed Forest Of Spruce, Beech And Fir On Mountain Ljubisnja - Objectives And Problems Of Management Planning"
MSc in Bio-Technical Science, Forestry
MSc / Postgraduate studies
- December 2003 ; Feb.-March 2009**
NIJOS, NORAGRIC, Norway, UNDP
Faculty of Forestry Science Sarajevo, Bosnia & Herzegovina
UNDP - Montenegro
International training courses in **Advanced GIS in forestry**
International Training Courses / Courses certificates
International Training / Specialization
- June - November 2002**
Carl Duisberg Gesellschaft, Cologne, Germany
Partnership for Peace / NORDUM Institut, Rostock
Faculty of Forestry Science and Resource Management, TUM Munich
International training course for **Environmental protection and Forestry**
Manager for Environmental protection
Postgraduate International specialization

- Dates
- Name and type of organisation providing education and training
- Principal subjects/occupational skills covered
- Title of qualification awarded
- Level in national classification

1998

Faculty of Forestry, University of Belgrade
General Forestry

Title of thesis: "Proposal For Anti-Erosion Measures For The Department 17 Of The Forestry Management Unit Of Rudo Polje, Kovren, Montenegro

Graduate Engineer in Forestry

BSc / Graduate engineer in Forestry

Personal skills and competences

Foreign languages

- Reading skills
- Writing skills
- Verbal skills

English

Very Good

Very Good

Very Good

German

Good

Good

Good

Social skills and competences

Communicative and cooperative person, fast learner, team player and dedicated worker, self starter, target oriented. Always prepared to share knowledge and experience with others

Organizational skills and competences

- President/member of the Board of Directors of "Institute of Forestry " - Podgorica(2011-2014)
- Coordinator (president) of Council for Forestry for High School Programs in Montenegro.(2004)
- Editor in Chief of the journal "Agriculture and Forestry"
- Member of Scientific and Organizing committees of several international scientific conferences

Technical skills and competences

Computer literacy: Microsoft (Word, Excel, Power point, Internet explorer / Outlook express...) Adobe (Photo shop, Acrobat...), Corel (CorelDraw) QGIS and Win GIS 2000.

Drivers license(s)

B category

Artistic skills and competences

Music, writing, design, etc.

Guitar; Photography and Computer design
