Ref.no: MNE-HERIC-81180-KATUN-IC-CS-16-8.2

Request for Expressions of Interest for Technologist in food industry – dairy production – part time position

Montenegro has received a loan in the amount of 12.00 million EUR (equivalent to US\$ 15.98 million) from the International Bank for Reconstruction and Development (IBRD) for the “Higher Education and Research for Innovation and Competitiveness” (HERIC) project. The University of Montenegro - Biotechnical Faculty has signed Agreement with Ministry of Science for the implementation of scientific research project: “Valorizing the Montenegrin Katuns through sustainable development of agriculture and tourism – KATUN” (hereinafter referred to as: “Project”) which is being financed within the HERIC project.

University of Montenegro, Biotechnical Faculty intends to apply part of the proceeds of this Grant towards payment for consulting services under the contract for under the contract for following positions, Technologist in food industry – dairy production.

The consulting services (“the Services”) will include support the KATUN project partner HM Durmitor Doo - Zabljak in realization of the task of: Creation of the new dairy products - Creation of new types of cheese at HM Durmitor (semi-hard cheese and cheese with aromatic herbs) and Creation of recognizable packaging for new cheeses.

The consultant will also participate in the Improvement of technology - training on how to improve production technology of the dairy products and in providing inputs and materials for preparing user-friendly printed publications (Brochure on traditional products).

It is expected that the consultant will start with his/her work in July 2016. The successful applicant will be recruited on a contractual basis for a period of 6 months. The engagement during the contractual period will be up to 1 person-month of effective engagement in total, with possibility to extend the contract.

Qualifications criteria are:

- University Degree in Agricultural Sciences or Food technology Science
- Minimum 5 years of experience in dairy sector

- Experience in consultancy – min. 3 years
- Fluency in Montenegrin and English
- Fully Computer and IT literate with excellent working knowledge of MS Office (Word, Excel, Power Point, Internet explorers etc.)

The University of Montenegro, Biotechnical Faculty, through the Technical Service Unit now invites eligible individual consultants to indicate their interest in providing the services. Interested consultants must provide information indicating that they are qualified to perform the services (CV, brochures, description of similar assignments performed, experience in similar conditions, etc.).

The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank's [*Guidelines: Selection and Employment of Consultants by World Bank Borrowers*](#) (January, 2011) ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest. A Consultant will be selected in accordance with the Individual Consultant (IC) method set out in the Consultant Guidelines.

Further information can be obtained at the address below during office hours (from 09,00-15,00 hours).

Expressions of interest must be delivered to the address below by **April 28, 2016, 15,00h local time.**

EOI submitted Via E-mail should be followed with envelope and must clearly indicate project name, subject number and sender details.
