

**KATUN PROJECT FINAL CONFERENCE:
"THE KATUNS PROJECT RESULTS AND FUTURE OF THE MONTENEGRIN KATUNS"**
Žabljak, Montenegro
28-29 Sept. 2017

Venue:

Hotel Gorske oči,
Žabljak, Montenegro

The KATUN project final conference objectives are:

1. To present the results achieved in realisation of KATUN project to the wider audience
2. To discuss the main lessons learned during the project realisation
3. To share views with different stakeholders on the future of Montenegrin katuns
4. To discuss possibilities of an extension of the project spirit and activities in a scope of different project calls like HORIZON 2020 or similar

Participants: the KATUN project team members, the other HERIC project representatives, the professionals involved in different aspects of development of mountain areas and cultural-historical heritage preservation (producers, public stakeholders and agencies, policy makers at local and national level, NGOs...).
